

NMEMC 2024

APRIL 29–MAY 2
PITTSBURGH, PA

INVEST IN THE ENVIRONMENT

SUPPORT • EXHIBIT • ADVERTISE

Boost your position in this industry — join *the* environmental markets event as it links regulatory, voluntary and resiliency/program driven approaches in mitigation and conservation of wetlands, streams, species, water, biodiversity, and carbon.

The “must attend event” for those involved in ecosystem banking, mitigation and environmental markets — policy, practice, science and emerging markets.

“I can’t thank you enough — I’m leaving with a business arrangement that never would have happened without this Conference...”

“Been sponsoring for 27 years and will continue, as the benefits to our

NATIONAL MITIGATION BANKING & ENVIRONMENTAL MARKETS CONFERENCE
www.mitigationandenvironmentalmarkets.com • 800-726-4853

GET LEADS • GAIN EXPOSURE • BUILD YOUR BRAND

NMEMC 2024 is expected to draw 800+ leaders across resource agencies, corporations, public entities, providers, investors, and consumers of sustainable nature-based and related environmental market solutions.

A powerful, independent and balanced platform that is the “must attend event” for those involved in or exploring mitigation, restoration and conservation of species, wetlands, streams, water quality and supply, carbon and other environmental solutions.

Reach key decisionmakers and leaders from business, government, tribal nations and indigenous peoples, universities and nonprofits – including regulators, corporate and public consumers, investors, mitigation bankers and offset providers, other

restoration and conservation solution providers, consultants, engineers, scientists, farmers, ranchers and landowners, attorneys, appraisers, accountants, technology innovators, real estate brokers and developers, city planners, and others.

VIRTUAL CONTINGENCY, CHANGE OF VENUE/DATE, CANCELLATION OF EVENT POLICY

It is understood that NMEMC provides continuous promotion of the event with significant exposure to supporters via marketing emails, online agenda, website recognition and social media from the early launch of the 2024 event marketing campaign, throughout the event and post event and that there is value to this promotion.

Should NMEMC 2024 move to a virtual only format – While all Supporters, Exhibitors and Ala Carte Marketing supporters will be provided virtual benefits that may include increased registrations and added exposure as determined by their selected level, **all who stay at the same level with full support** towards the continued success of NMEMC will be provided extra benefits including the opportunity to participate in a virtual package for all attendees should that be implemented.

For those who opt not to stay with full support if moved to virtual only, these options would be available:

***Title Supporters will have the option to downgrade one level at regular pricing** with 100% of the difference (from what was paid or committed to less regular pricing of level downgraded to) put towards NMEMC 2025, or 80% of that difference refunded. *Blue would downgrade to Green Sponsor, though not all title supporter level.

Exhibitor or Ala Carte Marketing selections, with the exception of scholarship donations and JFT Founder Awards and Green Sponsors, may receive an 80% refund or 80% credit put towards 2025 if they do not wish to be upgraded to online engagement with opportunity to participate in a virtual package for attendees should that be implemented.

Should NMEMC move to another location or date, all selections would remain in place.

Should a complete cancellation occur, an 80% refund or credit to NMEMC 2025 will be provided.

Should such cancellation occur 30 days or less than the event's start date, the same would apply except

We are sincerely grateful for all our supporters who help to make this event a success in continuing the dialogue and education critical to this industry!
